Location: Bangalore, India

Profile summary: Senior Product Manager with 8 years across B2B SaaS, leading cross-functional teams and data-driven product strategy. MBA. Seeking director-level product leadership.

Assessment Summary

Overall mean 75% across 2 panelist(s). Per criterion — Analytical Depth: 60%; Leadership: 80%; Product Strategy: 80%; Stakeholder Communication: 80%.

Visualizations

Chart: Visualizations · Data source: career

Interpretation

Interview readiness summarises operator-recorded panelist scores per criterion. These are arithmetic averages of human inputs — a record of what panelists entered, NOT an algorithmic hire/reject verdict.

Recommendations

No specific recommendations have been derived from the current measured inputs. Recommendations will appear once additional assessment evidence is captured.

Confidence Level

Operator-recorded — averages of panelist-entered scores, not a model prediction.

Data Source

evaluation-engine.candidateEvaluation !' interview_scores (operator/panelist entries, averaged per criterion).
